OUR EXPERIENCE & EXPERTS FACULTIE'S

Mr. Manoj Paraghan
CHEMISTRY
M.Sc. Chemistry
12 Years of Experience

I complete my education In Bsc (PCM)& Msc org Chemistry. Because of my passion in teaching I enter in field of private teaching and develop number of tricks and technique to learn and understand chemistry. And given selection of students In AIIMS & IIT & NIT and verious government colleges. I had given around fifty seminars in state & national competitions on various topic of chemistry, 7 physics and got awarded for the same I had also presented 2 paper in national seminars.

Teaching Is Not A Profession For Me But Its Worship... And I Enjoyed My Teaching

This is Swapnil Dheple having 10 years of teaching experience with B.E. M.Tech and B.Ed educational background. Currently just selected at BYJUS as physics faculty cum HOD for Physics department. Formerly worked with Delhi public school as a neet ,jee and foundation physics faculty for 2 years , worked with IIT Home Nagpur for 1.4 years and also worked as a Assistant professor in Electronics and Telecommunications department for 5 years . I am belonging to middle class family and believe to teach students with real time feel in physics and joyfully.I always trying students are involved with physics so they are very close friends with physics. Always trying best of my knowledge so students comes with concepts and approaches numerical with clarity. I hope that better glorious stories add with JSM and we are trying our best to give best from outside for students. Presented research papers at two international conferences and one national conference. I always trying to mold students with great joy and best concepts in physics with real time examples

Mr. Swapnil Dheple
PHYSICS
B.E., M.Tech., B.Ed.
10 Years of Experience

Mr. Nitin Warutkar
MATHEMATICS
B.E. (Mech.), M.Sc. Maths
7 Years of Experience

To practice is better than to preach' Following the idiom , I Nitin A. Warutkar, have been Teaching Maths to 11th & 12th Class (Board & Entrance) for last 6 years. After completing B.E. (Mechanical) and M.Sc. in Maths , I realized that there is a number of things that could be implemented while teaching maths, Sticking to it ,I have implemented techniques and practical ways of teaching, that not only makes students score Excellent marks but also ready them for the JEE exam, Since inception, Number of students have been Admitted in Top Ranking Engineering Colleges. The study materials I provide have proven to be of Extreme useful achieving High Score. I try to inculcate sincerity, dedication and time boundness in addition to my profession. I believe the importance of charge of seat I possess, which would mould the most significant resource of our society, 'Young mind'

As we know , Physics is the Backbone of Medical & Engineering and having studied Engineering, I have Keen Interest In Physics and it's Applications. Thereby, I Have been Teaching Physics from last 24 years

I Acquainted Physics to students through it's uses in daily life and its Applications to raise their interest. That why, they could easily face the challenging questions of various entrance exams like IIT-JEE, NEET etc. I am fortunate to present the excellence archived by my students in various Government Medical and Engineering Exams

My Sincere and honest efforts made the students to secure 50 out of 50 marks in PHYSICS of MHT-CET, last year my student scored the praised score in Physics of IIT ADVANCE.

One of my student Prahan Kumar (50 out of 50) scored out of marks in PMT Year 2000 my Student Prahan Kumar (50 out of 50) PMT-year 2000 & 4 selections of KEM (MUMBAI) from wardha are still unbroken till date.

Many of my students have set admission in Government Medical Colleges like KEM (MUMBAI) and Government Engineering Colleges of STATE like COEP and region (like NITS).

I joined JSM IIT & MEDICAL HUB to make the students to achive excellence in PHYSICS with my 24 Yrs teaching Experienced

Mr. Nitin Sarode
PHYSICS
B.E. (Electronics)

Mrs. Sulbha Gaidhar
BIOLOGY
M.Sc. (Bio.), B.Ed.
18 Years of Experience

I Started my Career by teaching Biology after completing M.Sc (Biology) B.ed From Shivaji College, Akola. My Intense Desire to become a best Biology Teacher. I have Succeeded in honing The talents of PMT, NEET, Aspirants.....

Based on my extraordinary competence in Biology. I have devised innovative Ways to make student perfect in this subject. I always made students feel not only to learn Biology only. But to learn the inherent beauty of Biology also, most off students and parents remarks that I made to believe that it's easiest and beautiful subject ever.

In order to make student competitive and prepare their temperament for IIT-JEE/ NEET/ MHT-CET we are going to start integrated program (All subjects i.e Physics, Chemistry, Biology / Mathematics) under one roof

This Program will be your spring board be the power to propel your future and take you to the world where only Succeeds will embraces you.

This Program enables Students to plan their study accordingly & move towards their ultimate goal by cracking NEET/ IIT-JEE/ MHT-CET

JSM IIT & MEDICAL HUB

WHAT IS AN INTEGRATED PROGRAM ?

- A study program with synergistic approach to both the Board studies as well as MHT-CET, NEET, IIT-JEE Entrance Exam preparation.
- A program that ensures same teachers for XI, XII studies & MHT-CET, NEET, IIT-JEE preparation.
- A program that eliminates the opposite pressure forces on the student.
- A program for both Boards as well as MHT-CET, NEET, IIT-JEE / Other Competitive Entrance Exam Preparation - that will compliment each other.
- A program that will prepare students extremely well for not only MHT-CET, NEET, IIT-JEE and Board exams but for all other Engineering Entrance Exams.
- A study plan that will ease out the pressure on the time for the student-unlocking lots of extra time required / must for self studies, which you would not have got earlier and also giving him sufficient time for co-curricular activities sports social activities etc which are so important for his/her personality development

HIGHLIGHTS

- ◆ 8 Hour Classroom Program ◆ All lecture's of 90 Mins
- ◆ Daily Revision ◆ Daily Paper Practice (DPP method)
- ◆ Worksheet Practice ◆ Every Saturday Doubt Session
- ◆ Every 20 days Mega test of JEE /NEET pattern (Parikshan Test)
- ◆ Library Support and Study room
- ◆ Dedicated personal for academic administration and an Academic Executive for every batch
- ◆ Guest lectures for Holistic Development arranged exclusively for IP students
- ◆ The Parikshan Test Series are a part of the IP program module

The unique features of the Integrated program are as under:

Teaching by experienced faculty members with Tricks & Shortcut Technique with Conceptual Method

Excellent Study Material with Class Works in respective subjects.

Tutoring System for Doubt Clarifications. An Effective Assignment and Feedback Mechanism.

Counseling Session to continuously inspire the students.
Well-Furnished Classroom & Digital Classroom
